OUR ORIGIN · 1989 – PRESENT

Three generations, *one corner of the world.*

Our family has grown, sun-dried, and aged Xinhui chenpi in Guangdong since 1989. Sixty harvests across one cultivar, one place, and one slow practice. Within Xinhui we source exclusively from the four certified core sub-regions, and label every batch by the village it came from.

梅江

MEIJIANG

Old-tree reserves, deep aromatic.

东甲

DONGJIA

Classical tribute village.

天马

TIANMA

三江

SANJIANG

陈皮 · XINHUI-CERTIFIED ORIGIN

Aged Chenpi

Authentic Xinhui chenpi from our family's certified orchards. Hand-peeled, sun-dried on woven bamboo trays, and aged in our pure-dry warehouses across multiple vintages. Warm, woody, gently sweet — and known for over a thousand years in Chinese tradition for soothing digestion after meals.
